

DIGITALLY SUPPLIED ARTWORK

Sytek is able to accept digitally supplied artwork that conforms to the file format and media criteria listed below:

File Formats

Adobe Illustrator, Corel Draw or DXF.

eps files (encapsulated postscript) are preferred.

If this is not available, any vector-formatted file with fonts as outlines may be acceptable. Sytek will determine the "usability" of your file upon receipt.

Bitmap images should be no less than 100 ppi at actual size.

It is recommended that all text be converted to outlines and bitmap images are NOT embedded. They could be linked and sent separately as "support files").

Include the overall height and width of the file at actual size

Media

Compact recordable discs or internet E-mail as an attached file.

You can contact our graphics department at 604 988-1125.

In addition to digital files, please fax or mail us a hardcopy of your artwork whenever possible.

Sytek's E-mail address is: info@sytek-ent.com.

PLEASE NOTE: SUPPLIED ARTWORK THAT CONTAINS UNIQUE FILE FORMATS OR FONTS, MAY NOT ALWAYS BE COMPLIANT WITH THE SPECIALIZED DESIGN PARAMETERS OF SYTEK'S SCREEN PRINTING PROCESS.
